# BONA FIDE® PROMISES THE BEST NITRO COFFEE !

**Best Flavor** – Our Award-Winning Bona Fide® Craft Draft brewing technology preserves the delicate, nuanced flavors of our coffee. Brewed with care at our organic certified facility.

**Best Flexibility** – Bona Fide kegs are **ambient temperature stable** and can be stored in either dry or refrigerated storage. Pour with standard draft equipment or countertop flash chillers.

**Best Safety** – Tamper proof, Sankey-D, sanitary kegs. Pasteurized, guaranteed food safe and flavor-stable for 180 days.

**Best Value** – Lowest cost Nitro Coffee solution for OCS operators and Food Service Distributors. Helps operators reduce cost-labor-time.

## TASTING NOTES (3 Best Sellers)

### Organic Hair Raiser®

AWARD-Winning dark roast. Complex, big mouth feel, with a dark chocolate finish that shouts out verve and attitude. Sourced from Africa & Indonesia.

Cal: 2, Protein: 0.3g, Fat: 0g, Sugar: 0, Caffeine: 100mg

### Organic Peru

Smooth, with a caramel & whipped cream start, subtle notes of cookies and pecan pie with a classic coffee finish.

Cal: 2, Protein: 0.3g, Fat: 0g, Sugar: 0, Caffeine: 110mg

### Organic Hibiscus Tea

Tangy and caffeine free, this ruby color elixir is calming, delicious and refreshing. It is also naturally high in vitamin C and modestly sweetened with a touch of organic stevia.

Cal: 1, Protein: 0g, Fat: 0g, Sugar: 0, Caffeine-Free: 0mg
